These 11 paths are available to you:

Every path has required and elective projects. Path recognition is achieved when a member completes 14 projects across all 5 levels—a combination of 10 required projects and 4 elective projects chosen from a comprehensive list covering a variety of subjects. Each project includes at least one speech. Though members are required to complete 4 elective projects, they have the option to complete as many as they would like.

The many benefits to members will include:
